EXCERPT FROM MEMORANDUM FOR THE RECORD

SUBJECT: DCI Meeting with CIA Subcommittee of House Armed Services  
Committee - Friday, 22 June 1962 - 10:00 a.m.

10. The Chairman then turned to the 21 June 1962 letter from the Comptroller General to the Committee concerning cessation of GAO audit activity at CIA. Mr. Vinson was most firm and gave his views several times that the Agency should not give GAO any more information than the Director believed appropriate. Mr. Vinson said this entire matter was one lying within the responsibility of the DCI. In subsequent conversation with Mr. Smart as to how the Committee should respond to GAO, Mr. McCone suggested that he would like to discuss this with Mr. Campbell personally and then he would provide appropriate information to Mr. Smart. There was no real discussion of the point of whether GAO should continue on the existing basis but a fair inference would be that the Committee would support the Director if it were believed desirable for the GAO to continue.
